How She Was Duped.

Ir Lack of Evidence Swindler and Victim Were Both Discharged,

Mrs. Augeline Elizabeth Conrad, of Augusta, Mrs. Angeline Knaabeth Communication of late Lieut. Jameson, declaring that he believes therein goods," looked woefully dispirited nim to have been incapable of committing such green goods," looked woefully dispirited ien she was arraigned before Justice Duffy atrocities. the Essex Market Court tals morning. an and all-round croos, who was on the eve swindling the guireless female farmer, when | telots. s little game was frustrated by the police.

Detectives Jacobs and Aloncie, of inspector Detectives Jacobs and Aloncie, of inspector pring out all the facts, and that a Parliamen-yrnes's staff, arrested the sharper and his 10tended victim as they were stepping litto a constraint the Destroyans attreet terry Saturday Col. Tom Ochiltree Coming Home or

the Magistrate in the crowded court-room. Her fine brown hair, through which streaks sithough she is litty years of age, was rather unkempt, and her black veives fonue; sat swry in a devil-may-care way on her head. Her dress, of black elpaos, fitted her neatly,

thou h, and it was evident that she was reared nervously and little beads of perspiration burst out on her face and trickled in little rivulets own to her chin. The sun, streaming in through a window in

the polished desk, with the long bony finger mara. of her right hand, while Justice Duffy elicited Mrs. Conrad said that some time ago she re-

ceived a letter from some one who signed spog," offering to sell her bills as good as genuine money at the rate of \$100 a \$1,000. But took the batt and answered the letter, ask-

"Wal, now, Jedge, I reckon that I didn't ome to buy counterfelt money, "she retorted, Jest you walt, and I'll tell you. I was given

"Jest you wait, and Fit tell you. I was given to unders and that it was jest as good as the raje article, and was told that if I did not like the "stuff in bills I could have it in gold, \$500 for \$500. I sent fer a telegraph on the 7th of November. Here it is:

"Ri says: "Crops good. Will try three bundred. Arrive Saturday, II & X." and I signed my name. I sent it here to New York, and got a reply that I would be met at the dopot in Newark.

"So I was. This man"—casting an inquisitive look at Big Waiter as if she was not yet astinged that he meant to deceive her—"was at the station when I got to Newark Saturnay. He was not the platform and I carried my telegram in my hand. He had another, and I knew it was nue.

"He spoke to me rale purly, and took me to the Adams House, where I paid a dollar for a foom.

a foom, "I asked him, 'Well, now, mister, have you got your goods? I'll take a look at them,' "Oh, now, my dear madam,' says he, we must go to New York and transact our posiness there." bosines there.'

'All right, says I, 'let's go,' and we started. I gave him a dollar, and he bought the tluxets for New York, and so we came here and was arrested."

'You did not see any of the green goods then ?" queried Justice Duffy.

'I reckon not, 'said Mrs. Conrad.

'Don't you know that you were acting very "green'ty."

"You did not see any of the green goods then 7 your of Journal Journal of the property of the

tice buffy.

""me crook had nothing much to speak of.

"she has \$815 and this gun," repited
Aloncie, creating a sensation as he laid a
murierous-looking revolver before the magisirate's gaze.

That was fully loaded, but we have drawn "That was fully loaded, but we have drawn " a volume of the detective.

the cartridges," explained the detective, whereupon like lionor gingerly lated the big platel and giared meditanively down in the

whereupon his itomer singerty intent the old platol and guard meditarively down in the barrel.

"Way, that would bore a well through a man. What did you mhend to do with tulsty" he asked the woman.

"To protect myself. I reckon. I did not know just who I would inset be not a way, nor what kind of a crowd I was soing to tackle in 'ew York: but I did not head to lest them get best of me, " she shewered determinedly.

"Bug watter, gave a little shreer of each and looked as it he thought it just as well had no had been arrested.

"Now, sir, what have you to say for yourself?" the dustice asked him.
"Nothing." I did no wrong. My freend,

bell?" the Justice asked him.
"Nothing. I did no wrong. My friend, Mr. Hallard, met me at the Brooklyn Bridge Satur ay morning and asked in to go over to Newark and meet a 140y, a friend of him. I did so, and met Mrs. Conrad, as size has stated, but I never had any intention of semi-law ber any arren goods."

stated, but I never had any intention of serious tasked, but I never had any intention of serious for any green goods."

"No. of course but. Who is your friend it. Ballard and we play a little game of poker occasionally, the crook apited with a grin. He is a very tail young name, which accords for the buckhame, boyled in appearance, with checks that look has soft and roay as a girl's.

He has high him eyes and a very insocrate expression, out his 'iong' is in the frequency and he viewed the entire proceedings with an air of sensitiating and marked a little game. Only once did he lose his self-possession, that was when Mrs. Contrails higher his pisted was the III little in the side of three men who attacked him and pasted. Instead Duffer was anything to best time and little fourth the head been stabled by the of three men who attacked him and little to take the fourth.

Justice Duffy was anxious to lock bim up. but there was no charge on which he could be held, as the dejectives arrested him befor he had had time to begin his criminal work

and Ao, much a subset his will, Justice Dully a sealiged to let him 20.

'Tasnit you, 'William said, and then bowed to burn. Course, with winning grace and a

* Oh, keep it, * , wid the woman.

* Yes, confiscate . 'Q" ordered the Judge.

B HUNT FOR GREEN GOODS. FOREIGN NEWS OF THE DAY. BIRCHALL'S COMING DOOM, RESTING ON BONNY'S DIARY, GOSSIP OF THE THEATRES.

Memory of Lieut, Jameson.

[BUNLAP'S CABLE NEWS SPECIAL] LONDON, Nov. 10. —The testimony of Bonny, published to-day, confirming Stanley's accusaions against Barttelot and Jameson has caused a genuine shock. Rider Haggard comes to the defense of the

poside of "Hig Walter" Willard, confluence sation to aurounce that Mr. Stanley is about to
